## 381 HORIZON COFFEE TABLE

By Matthew Hilton

Horizon Coffee Table is an architectural solid wood design set upon solid turned brass legs. The pattern of pierced slots, created by CNC machinery, allows for semi hidden storage and the passage of light, creating beautiful cast shadows. Mitre joinery connects the timber planes into a box shape, creating an open form with superior stability.

### **MATERIALS**

#### TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

#### METAL

Brushed brass legs.
