## 762 STRUCTURE TABLE

By Neri&Hu

Structure is a modern timber table with substantial proportions suitable for communal dining. Two rectilinear frames, crafted from generous planks of solid wood joined with mortise and tenon, form a continuous line from the legs through the tabletop frame. A central support beam recalls a classic refectory table, translated into a more pared back, geometric form.

### **MATERIALS**

#### TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.
