

BELLE REEVE SOFA SYSTEM WORKSHEET

LUCA NICHETTO

Belle Reeve is a sofa system by Luca Nichetto with seemingly endless possibilities. The sofa has a deep, low body with brass or stainless steel feet, and a choice of solid wood lattice panels or upholstered panels on the backrests. Different arm and table options combine with the seat modules to break the symmetry of this versatile sofa, allowing for personalised configurations.

DEFINING YOUR CONFIGURATION

You can create your desired configuration using one of the following methods:

COMMON CONFIGURATIONS

Find common configurations on pages 3-8. Each configuration can be ordered as drawn, or can be altered with a chosen 'ending.'

A LA CARTE

Define your own configuration using individual modules. Modules, procedures and graph paper can be found on pages 10-17.

SCATTER CUSHIONS

Scatter cushions are included with select modules and configurations as specified in this document. Additional scatter cushions are available separately, and must be specified on the relevant Finishing Touches page.

PANEL OPTIONS

Backrests and armrests include panels either timber lattice or upholstered: one 1.5-unit for 1.5-unit backrests, one 1-unit for 1-unit backrests and arms, and two 1-unit for 2-unit backrests.

TABLES

Table modules are available in a choice of our full range of timbers/finishes or stone in a choice of Rosa Negrais, Black Marquina, or Carrara marble; or Ataija Creme limestone.

HARDWARE

Connection hardware will be provided to fix the individual modules into the configuration ordered.

**COMMON CONFIGURATIONS**

LUCA NICHETTO

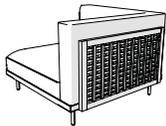

Find common configurations on pages 3-8. Each configuration can be ordered as drawn, or can be altered with a chosen 'ending.'

NOTE: Changing endings will affect the price of the sofa, and endings cannot be added to armchairs, ottomans, side tables, or coffee tables.

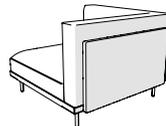

ENDINGS

Alternative 'endings' can be specified as preferred on the right and left hand side of a configuration. You may specify an arm with lattice panel, arm with upholstered panel, no arm, or a flat armrest. Your choice of ending will affect the sofa price.

**CREATE YOUR OWN CONFIGURATION**

LUCA NICHETTO

Follow the procedures and guidance on pages 10-16, then use the space on page 15 to draw your chosen configuration before completing page 17 with finishing touches.

PANEL OPTIONS

Backrests and armrests require a panel either timber lattice or upholstered: one 1.5-unit for 1.5-unit backrests, one 1-unit for 1-unit backrests and arms, and two 1-unit for 2-unit backrests.

FLAT ARMREST

Flat armrests can be added only to a seat + backrest or seat module. The central post attaches to the outside of the base, and the arm overhangs the edge of the sofa by 23.5cm | 9 1/3". Flat armrests are solid wood with an upholstered pad attached with hidden magnets.

SCATTER CUSHIONS

Scatter cushions are included with select modules and configurations. Additional scatter cushions must be specified on page 17.

TABLES

Table modules are available in a choice of our full range of timbers/ finishes or stone in a choice of Rosa Negrais, Black Marquina, or Carrara marble; or Ataija Creme limestone.

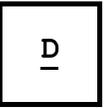

HARDWARE

Connection hardware will be provided to fix the individual modules into the configuration ordered.

**CREATE YOUR OWN CONFIGURATION**

BELLE REEVE SOFA BY LUCA NICHETTO

Follow the procedures and guidance on pages 10-16, then use the space on page 15 to draw your chosen configuration before completing page 17 with finishing touches.

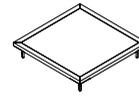

1. CHOOSE YOUR BASE(S)

First, choose a base or series of bases to set the overall size of your sofa. Bases consist of solid wood set upon brass or stainless steel feet.

122SE 1-UNIT BASE
