

DE LA ESPADA

178 HADAR LOUNGE CHAIR

By Anthony Guerrée

Taking its name from the second brightest star in the southern constellation of Centaurus, Hadar Lounge Chair embraces a radical formalism while prioritising uncompromised comfort. Influenced by Hervé Baley and Frank Lloyd Wright, its lines pay homage to the daring and innovative approach of these design legends, showcasing a fusion of bold geometry and ergonomic excellence. An excellent example of creative evolution in furniture design.
