## Product Facts

### Description

Redo is a simple, uncomplicated modular sofa design. The design is built on a flexible modular system, where the modules can be combined in any desired composition to accommodate any need and any space. The corner module functions as both a right armrest, a left armrest and a corner module, enabling multiple iterations of the same sofa. The modules connect together easily by use of sofa connectors. Redo is made from high-quality PU foam for maximum comfort with a reinforcement structure inside. Comes with solid oak legs. Black painted oak legs can be purchased separately.

### Designer / Year Of Design

Simon Legald / 2023

### Material

Frame: Combination of pine and chipboard

Filling: PU Foam

Legs: Oak

### Construction

The Redo Sofa modules are crafted utilizing high-quality PU foam to ensure maximum comfort.

The frame structure inside is constructed using a combination of pine and chipboard. Comes with solid oak legs. Black painted oak legs can be purchased separately. Textile upholstery.

### Maintenance

Clean with textile or upholstery cleaner. Frequent vacuuming with a soft fitting is recommended to preserve color and appearance
