Product Facts

Description

Rope emphasizes flexibility and comfort in a modular design that offers a wealth of opportunities for personal style. The design plays with curves and dimensions in order to give Rope an expression that is simultaneously minimalist and full of character. A clean and simple piping is highlighted as the main detail of the design.

Designer / Year Of Design

Hans Hornemann / 2016

Material

Shell: HR foam with pocket springs and upholstery

Legs: Painted and lacquered ash

Construction

Rope sofa consists of a wooden frame with pocket springs.

The frame is covered in durable furniture foam all over, ensuring optimal sitting comfort. The sofa features piping on all edges.

The legs are made of black lacquered wood and measure approx. 1,5 cm in height. ►
