

Perfectly proportioned, the Androgyne Side Table balances a rounded marble tabletop on a powder coated steel base that features wide, flat legs, laser-cut for precision. The architect-designed piece is offered in a number of materials that can be co-ordinated or contrasted as desired. The latest addition to the collection is a tabletop in Emperador marble, a richly veined marble with intense brown tones, as well as calcatta viola, already known from the Plinth Collection. Carefully selected for its inherent beauty and light-reflecting qualities, the different marble tops provide a top provides a tactile and natural contrast to the sleek metal.
