

ML 42, COUNTER STOOL  
Designed by *Mogens Lassen*

In 1942 Mogens Lassen designed the Stool ML42 as a piece for a furniture exhibition held at the Danish Museum of Decorative Art. He took inspiration from the stools used by the shoemakers of the past, and transferred the light, elegant look to the creation of this sculptural three-legged stool. The Stool ML42 is considered a collector’s item by international design connoisseurs.
