782 CAPO BED

By Neri&Hu

The Capo Bed is an extension of the Capo series, its simple and modern form enriched with tailoring details that evoke old-world sensibilities.

Capo began as a series of seating, initially designed for the Italian restaurant Capo in Shanghai, where the interior design concept was based on a basilica and possessed an old world charm of masonry enclosure appointed with handsomely crafted detailing.

The Capo is a well-balanced equilibrium between sophistication and utility, between classic and contemporary aesthetic.
